2016-17 ARTSwego Project Support Application – Part Two

1. Describe the project and its importance to the campus and community.

Please mention any ways that the project involves collaboration with other campus programs, departments, organizations or special themes (ORI, heritage months, etc.)

2. What artist(s) will be involved? (Include links or URLs to any work samples, reviews or bios.

3. Who is the primary audience for the project and what promotion, class involvement, or community outreach will ensure an audience?

4. Who is responsible for carrying out the project, and what other partners are committed to the effort? If the project is submitted by an individual faculty member, have you discussed it with your department chair?
